

## **BINGHAM TOWSHIP**

SPECIAL MEETING OF June 30, 2021

Meeting to discuss with architect possible township hall expansion/storage solutions

7171 S Center Highway

Traverse City, MI 49684

Meeting called to order at 7:10 pm

All board members present

Agenda approved with Boughey Park info added

Andy Rink, architect, showed drawings of hall addition ideas

Township board shared ideas and feedback on drawings

Andy Rink will adjust drawings to show suggested changes

Midge Werner said a paddle boat, in disrepair, has been abandoned at Boughey Park

Slabs of concrete with re-rod sticking out of the slabs were in the water at Boughey Park, probably from when the State Hospital owned the property; due to low water levels, this is now exposed

Slabs were removed from water and now on shore

No public comment

Meeting adjourned at 8:25pm

Kathy Morio, clerk
